

## Teach For Malaysia x CIMB Fusion

The **CIMB Fusion** programme with Teach For Malaysia is a 3-year joint employment programme between Teach For Malaysia and CIMB Group, designed to give fresh graduates and young professionals a unique opportunity to emerge as a socially-conscious leader with the technical skills to succeed in the financial industry.

## How it works

Individuals who are selected to be part of the CIMB Fusion programme will commit to the Teach For Malaysia Fellowship for two years, during which you will be given an unprecedented opportunity to build your leadership qualities through two years of teaching in some of the most challenging schools in Malaysia. After completing the Fellowship, you will join CIMB Group as a 3rd-year management associate in their graduate programme, gaining valuable banking experience through rotations in various functions within CIMB.

The CIMB Fusion programme with Teach For Malaysia is open to fresh graduates and young professionals below the age of 26. To apply, log on to [teachformalaysia.org](https://teachformalaysia.org), complete your application and indicate your interest to be part of the CIMB Fusion programme.

## The Selection Process

Applicants will first apply to Teach For Malaysia and go through the same selection process as stated on our [apply page](#). Upon receiving an offer from Teach For Malaysia, the candidate will be forwarded to CIMB for assessment, after which the candidate will receive a joint CIMB Fusion offer letter for the 3-year programme.
